## INTERGROUP STATEMENT OF PURPOSE

Metro Atlanta Intergroup is an assembly of elected representatives who provide support and guidance to the A.A. Central Office. The fundamental purpose of both Intergroup and Central Office is to provide services to the alcoholic in need. This is accomplished by elected Intergroup Representatives and (2) full time employees at the Central Office..

All issues of policy, procedure and finance are voted on by members of Intergroup.

At the monthly Intergroup meetings individual group representatives help direct the policies and direction of the Central Office by asking questions and making recommendations that are voted on by the groups.
